

Instructional Material Program: ALBA Y GAEL 2

2020 New Jersey Student Learning Standards - World Languages (NJSL-S-WL)

PROFICIENCY LEVEL: INTERMEDIATE LOW

INTERPRETIVE MODE OF COMMUNICATION

Intermediate Low learners understand and communicate at the sentence level and can use simple sentences independently to identify the main idea and some supporting details when reading culturally authentic materials. They can understand the gist and some supporting details of conversations and media dealing with everyday life as well as infer the meaning of some unfamiliar words when used in familiar contexts.

CORE IDEA: Learning a language involves interpreting meaning from listening, viewing, and reading culturally authentic materials in the target language.

INTERPERSONAL MODE OF COMMUNICATION

Intermediate Low learners understand and communicate at the sentence level and can use simple sentences independently when asking and answering formulaic and original questions related to everyday life. They handle simple, uncomplicated communicative tasks that occur in everyday life situations. Intermediate Low learners express personal ideas and information by combining and recombining what they know into short, discrete sentences. Their speech is often hesitant while they search for vocabulary. They express themselves best when talking about personally relevant and familiar topics, such as family, home, school, and friends.

CORE IDEA: Interpersonal communication between and among people is the exchange of information and the negotiation of meaning.

Speakers and writers gain confidence and competence as they progress along the proficiency continuum.
