INTERPERSONAL MODE OF COMMUNICATION

Intermediate Mid learners speak and write using sentences and strings of sentences when exchanging preferences, feelings, opinions, and basic advice on familiar topics. Intermediate Mid learners engage in short social interactions in everyday situations. They create original sentences and questions that allow them to usually say what they want to say about self and their everyday lives.

CORE IDEA: Interpersonal communication between and among people is the exchange of information and the negotiation of meaning.

Speakers and writers gain confidence and competence as they progress along the proficiency continuum.
