We are delighted to present our comprehensive National Pricing List, designed to provide you with all the essential details about our language learning materials. In the following pages, you will find a meticulously organized list of our offerings, categorized by name, price, and language. This structured layout ensures you can quickly locate the resources you need to enhance language education in your classrooms.

Explore the next page to discover our extensive range of materials crafted to support and inspire educators and students alike. Happy browsing!

About KWL

Klett World Languages (KWL) is a Chicago-based publisher specializing in providing students and educators with **modern, effective World Language learning resources**. Our mission is to provide students with the opportunity to **communicate effectively and connect with others**. We strive to promote intercultural exchanges and to foster mutual understanding.

- We develop language materials that **captivate students' interest** and foster their **language proficiency**.
- They follow a **communicative, task-based approach** to learning through projects inspired by real-world scenarios.
- Our programs are carefully crafted to meet the **required learning objectives** outlined in the **NYS WL Standards**.
- We provide **personalized support** to help you smoothly transition to and implement our program.
- We make our programs **affordable** without compromising quality.
