Dear Florida Reviewers,

Thank you for serving as a reviewer for the 2025–26 Florida Instructional Materials Adoption for Grades K–12 World Languages.

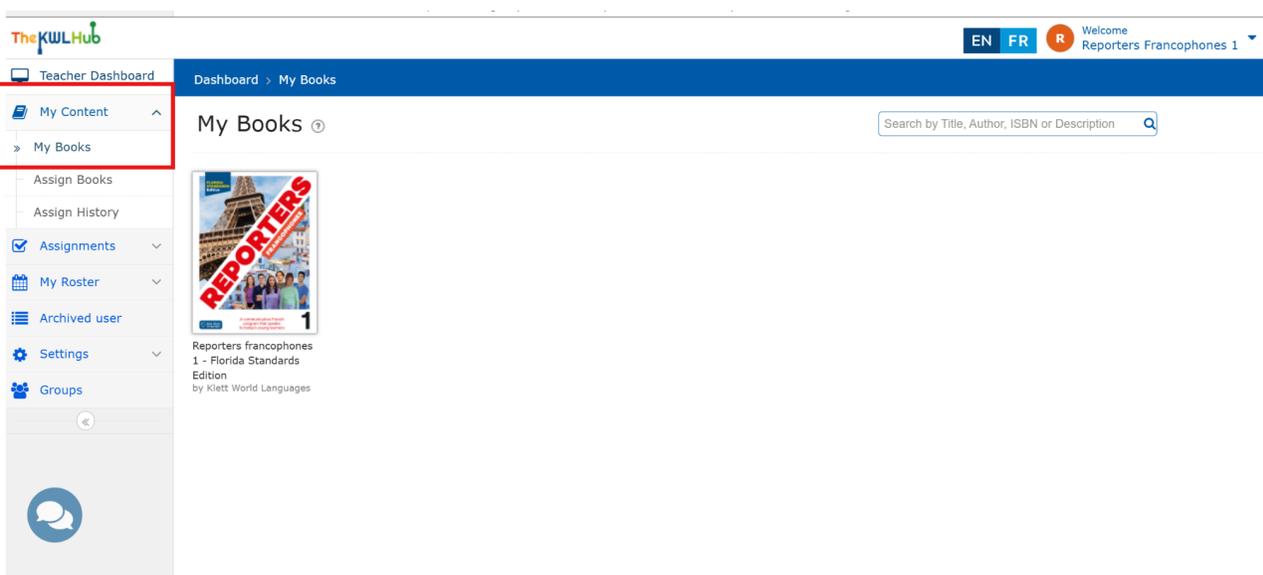

Please use the login credentials below to review Klett World Languages’ **French 1** instructional materials, Reporters Francophones 1 Florida Standards Edition. We are providing two sets of credentials—teacher view and student view—for your convenience.

The teacher view includes access to the Annotated Teacher’s Edition eBook, the workbook, resources on The KWL Hub, and the student edition. The student view highlights what students can access, including interactive versions, the workbook, and select resources.

Log into your demo account on [The KWL Hub](#) using the link and credentials below. Your access is valid for **12 months**.
