## Need Help?

Turn to **Page 2** for a quick visual walkthrough of the platform.

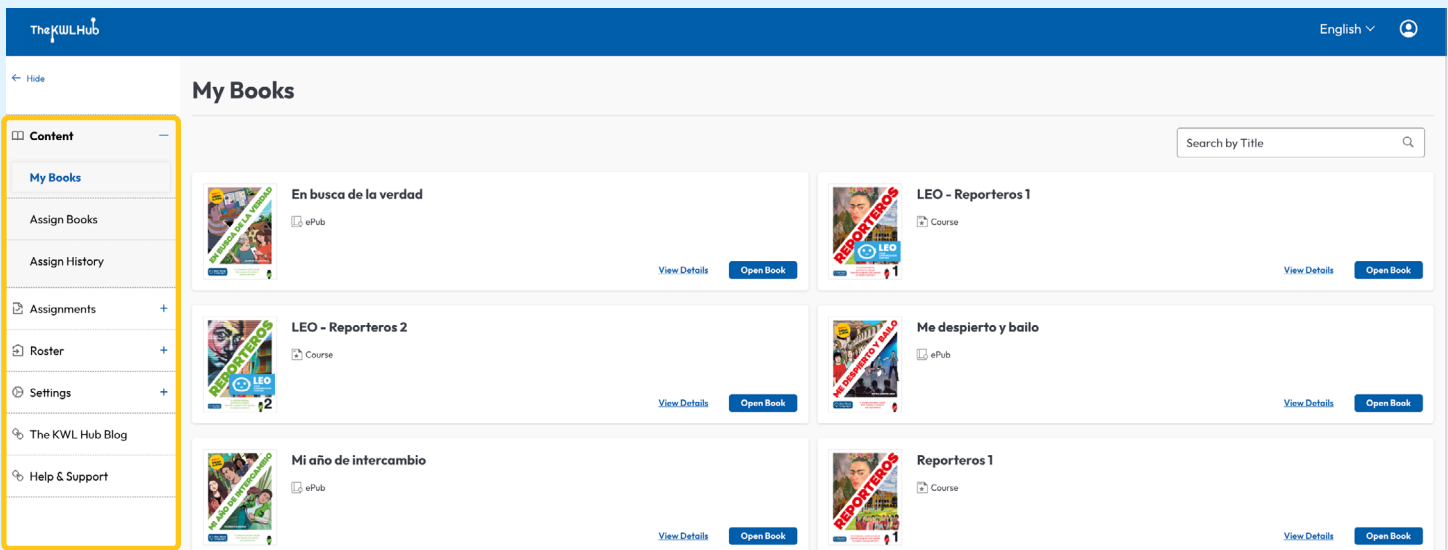

For additional assistance, watch a brief [tutorial video](#), explore the [detailed user guide](#), or contact [your sales representative](#).

# Getting Started

A quick overview to help you navigate the platform and find what you need.

## My Books (Home)

After signing in, you land on **My Books**, your home dashboard.

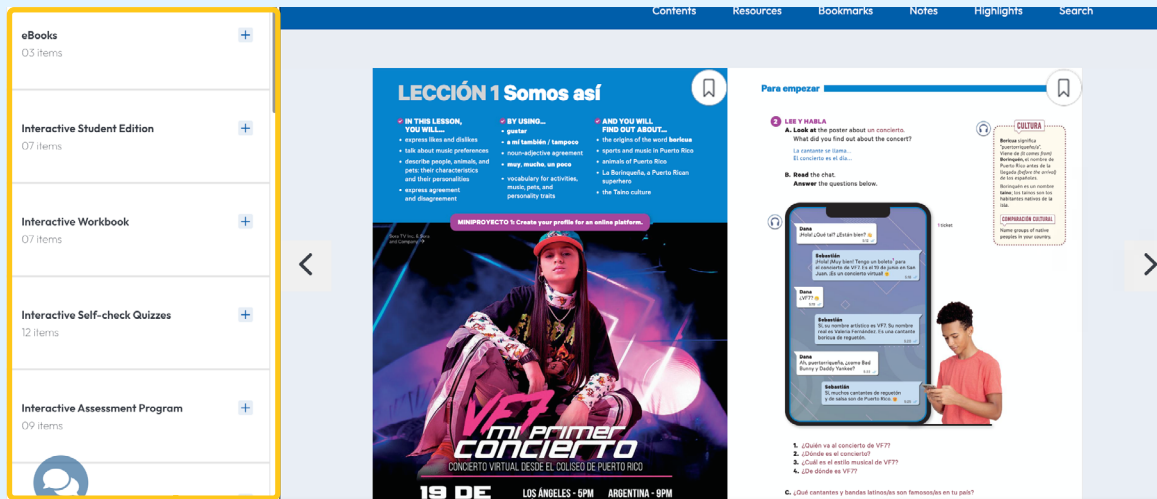

The left-hand panel provides access to:

- 1 **My Books** – Access and manage your instructional materials. (see Course View on the next page).
- 2 **Assignments** – Create, review, and grade student work.
- 3 **Roster** – Manage class sections and student enrollment.
- 4 **Settings** – Configure integrations.
- 5 **The KWL Hub Blog** – Your source for KWL Hub updates.
- 6 **Help & Support** – Access assistance and updates on the platform.

# Inside Course View

Opening a book takes you to Course View, where all materials are organized in one place.

The left-hand panel organizes all course materials in one place:

- 1 **eBooks** – Student, Workbook, and Annotated Teacher’s Edition for daily instruction.
- 2 **Interactive Versions (Student & Workbook)** – Assignable digital activities with built-in tools.
- 3 **Self-Check Quizzes** – Short, auto-graded formative checks for grammar and vocabulary.
- 4 **Assessment Program** – Comprehensive summative assessments available in interactive and print formats.
- 5 **Resources** – Audios, tutorials, worksheets, and teacher support materials.
- 6 **Interactive Differentiation and Heritage Worksheets** – Assignable versions of differentiation and heritage worksheets.
- 7 **Authentic Resource Bank** – Additional cultural materials (where available).

*Available resources may vary by program. For this overview, Reporteros Revised Edition 1 is used as an example.*
