Onboarding & Platform Support Pages

Every teacher gets access to our support pages for self-paced learning, available any time they need it.

- **Implementation videos**
- **KWL Hub Teacher Guide**
- **Video & written tutorials**

Initial Onboarding Training

Complimentary

Ideally scheduled two to three weeks before classroom implementation, this session gives teachers guided support with their KWL program and The KWL Hub. Its length and format match the size of the adoption.

Program orientation

- Curriculum structure, instructional design and pacing
- Lesson planning and assessment tools aligned with district expectations
- Exploring resources, with hands-on work and collaboration time

Platform training

- Hands-on training with The KWL Hub
- Creating assignments and tracking progress
- Using the multimedia tools

YEAR 1 · PHASE 2

2 Implementation Office Hours

While they teach with KWL materials, teachers sign up for one-on-one virtual time with our Implementation Team. Dates are announced in advance each Fall and Spring.
