WHAT SETS OUR PD APART

Classroom-Focused

Rooted in everyday teaching practice and aligned with real instructional needs.

Customizable & Flexible

Built to fit your goals, schedule, and preferred delivery format—virtual or in-person.

Led by Experienced Educators

Facilitated by former world language educators and active professionals who know the field.

"Our investment in Klett World Languages' comprehensive professional learning package has been impactful at both the teacher and district levels. The Klett team's detailed observations and personalized virtual learning sessions have provided invaluable insights aligned with core world language practices, enhancing instruction and student learning across the district. Their professional development support truly sets Klett apart—having former teachers like Sara, Aisha, and Kathryn offer targeted, meaningful feedback has been beneficial. Their practical experience and guidance have empowered our teachers to expand and enhance their practices. Working with the Klett team has been a wonderful and rewarding experience!"

Kelly Votava, WL Curriculum Coordinator, Green Bay Area Public School District
